PROPOSAL NO. DTP-2026-001 · APRIL 19, 2026

FOUNDING PARTNER INVITATION

An Invitation, Not a Vendor Quote

Website Development & Digital Services — Service Proposal & Agreement

PREPARED FOR

Michael Farr, Karis Properties USA

LOCATION

Denver Metro, Colorado

MLS / ASSOCIATION

RE Colorado / SMDRA

INVITATION EXPIRES

April 26, 2026

Michael, we've been watching what you're building with Karis Properties in Denver, and we want in early. Not as your web vendor — Denver has plenty of those. As your technology partner for the next chapter.

We're launching Dave T Productions with a simple bet: that one real estate professional, served deeply, will be worth more than a hundred served generically. You're that one.

This proposal lays out what we'll build together, what it costs, and what makes this different from every other pitch in your inbox. The short version: we're offering you **Founding Partner status** — pricing, access, and priority that disappear after you. In return, we're asking you to help us prove it works.

Why This Matters Now

Your current website has no lead capture, no mobile optimization, no live MLS integration, and no AI search presence. In a market where **97% of buyers start their home search online**, your website is losing you business every day it stays in maintenance mode.

We built Dave T Productions to fix that — and we picked you to go first.

THIS INVITATION EXPIRES APRIL 26, 2026

After that date, Founding Partner pricing is no longer available. We are accepting one Founding Partner. This is the only invitation being sent. Your next step: review pages 2–7, pick a bundle, sign page 7. We launch within 14 days of receiving your content.

Two Guarantees. Zero Guesswork.

DELIVERY

14-Day Launch Guarantee

Your website goes live within 14 business days of signing AND delivery of complete content. If we miss that deadline for reasons within our control, we refund your full setup fee.

OUTCOME

First Lead or Next Month Free

If your new website doesn't generate at least one qualified lead within 60 days of launch, the next month's retainer is free. (Qualified lead definition in Terms.)

BONUSES — INCLUDED FREE

Three Bonuses. Only for the Founding Partner.

Bonus #1 — Denver Market Snapshot Report

VALUE: \$500

A custom 1-page intelligence report on the Denver Metro market: median prices, days-on-market, absorption rate, competitive agent landscape. Delivered in Week 1 — before your site even launches.

Why: Proves we know your market, not just your website.

Bonus #2 — First Month of Ad Management Free

VALUE: \$300

If you activate Ad Campaign Management at any point during the Initial Term, the first month's \$300 management fee is waived.

What ad management is: We build and run your paid advertising across Google, Facebook, Instagram, and LinkedIn. We handle targeting, copy, creative, daily optimization, and monthly reporting. Your ad budget is separate and billed directly by the platforms; our fee covers management only.

Bonus #3 — Founder's Rate Lock Certificate

PRICELESS

A signed certificate guaranteeing your Founding Partner rates are locked for **24 months** — double the standard 12-month lock. Delivered in PDF and framed printed formats.

Why: To make "founding status" tangible. This certificate doesn't exist for client #2.

Total bonus value: **\$800+ (plus the rate lock)**. Your cost: **\$0**.

SECTION 24

Founding Partner Clause

24.1 Founding Partner Pricing

The rates on Page 2 reflect Founding Partner pricing and are locked through the Initial Term and first renewal term (minimum 24 months). These rates are not available to any subsequent Service Provider client.

24.2 Standard Rate Card Conversion

Should the Founding Partner fail to fulfill the commitments in §24.3 within 180 days of launch, pricing will convert to the then-current standard rate card on a prospective basis (effective the next billing cycle). **Standard rate card shall not exceed 150% of Founding Partner rates.** All Founding Partner commitments are material — partial fulfillment does not satisfy this section.

24.3 Founding Partner Commitments

Within 90 days of website launch, Client agrees to:

- (a) Record a 90-second video testimonial
- (b) Grant written case study rights (name, company, documented results)
- (c) Post one Google review for Dave T Productions LLC
- (d) Provide up to three (3) warm introductions to real estate professionals in Client's network
- (e) Permit use of "Karis Properties USA" as a named client in DTP marketing materials

24.4 Priority Access Benefits

- Direct mobile access to founders Edmund Bogen and Eytan Benzeno
- Same-business-day response on urgent issues; 48 hours on standard requests
- First access to new features, tools, and modules as DTP develops them
- Quarterly strategy call included at no additional cost

LEGAL TERMS

Agreement Terms

Term

Initial term: 6 months from signing. Auto-renews month-to-month unless either party gives 30 days written notice. Annual fee increases, after the Founding Partner 24-month lock expires, capped at the greater of CPI (trailing 12-month) or 10% with 60 days written notice.

Intellectual Property

All custom deliverables are works made for hire. Full ownership transfers to Client upon receipt of final payment. To the extent any deliverable is deemed not a work made for hire, Service Provider irrevocably assigns all right, title, and interest to Client upon final payment. Service Provider retains all rights in pre-existing tools, frameworks, and methodologies, and grants Client a non-exclusive, perpetual, royalty-free license to use them solely as incorporated in the delivered website. Service Provider retains the right to display the completed site as portfolio and marketing material.

Warranty

60-day post-launch warranty. Service Provider will correct any **material defect** — defined as a failure of the delivered work to substantially conform to the specifications agreed during the design review phase — at no additional cost, provided Client notifies Service Provider in writing with reasonable specificity.

THIS WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Warranty does not cover defects caused by Client modifications, third-party services, or Client-provided content.

Guarantee Conditions

The 14-Day Launch Guarantee and First Lead Guarantee on Page 2 apply only when: (i) Client provides complete content within 10 business days of kickoff; (ii) Client responds to review requests within 5 business days; and (iii) no force

majeure event occurs. "Complete content" means all text, logos, images, bios, contact info, and brand assets needed to build the agreed scope. A "qualified lead" is a form submission with valid contact info and stated interest (buying, selling, or information request), OR a phone call from a non-spam contact made specifically through the website's contact number. Excludes spam, test submissions, bot traffic, and internal team activity.

Liability

Each party's total liability is capped at the greater of 12 months of fees paid or \$10,000. Neither party is liable for indirect, incidental, consequential, or lost-profit damages. Exceptions: willful misconduct, confidentiality breaches, IP infringement, and indemnification obligations.

Indemnification (Mutual)

Each party will defend, indemnify, and hold harmless the other from third-party claims arising out of (a) its own breach of this Agreement, (b) its own willful misconduct or gross negligence, (c) IP infringement caused by content or instructions it provided, and (d) violations of applicable law for which it is responsible. Indemnification obligations survive termination for two (2) years and are not subject to the liability cap.

Insurance

Service Provider maintains Errors & Omissions insurance and commercially reasonable coverage appropriate to the scope of services. Certificate available upon request.

Confidentiality & Data

Both parties keep confidential information private for 3 years after termination (trade secrets survive longer). Client Data remains Client's property — Service Provider will not sell, share, or use it for unrelated purposes. Data Breach notification within 48 hours of discovery. Upon termination, Service Provider exports all Client Data in machine-readable format within 15 days and permanently deletes copies within 30 days thereafter.

Termination

For convenience: Either party, 30 days written notice after Initial Term. **For cause:** Immediate notice with 15-day cure period for material breach. **On termination:** Client receives all website files, databases, and Client Data within 15 days of final payment; Service Provider provides up to 15 business days of transition assistance at \$150/hr if requested in writing within 30 days of termination notice.

Disputes

Florida governing law. Good-faith negotiation (15 days), then binding arbitration administered by JAMS via remote/virtual proceedings unless both parties agree otherwise in writing. Nominal seat: Palm Beach County, Florida. Small claims under \$5,000 exempted. Class action waiver. Either party may seek emergency injunctive relief in court for IP matters. Each party bears its own attorneys' fees and costs unless the arbitrator finds a claim was frivolous.

Client Responsibilities

Client holds a valid Colorado real estate license, is responsible for compliance with Fair Housing, MLS rules, NAR Code of Ethics, and Colorado licensing requirements, and is solely responsible for the accuracy and legality of all content provided to Service Provider, including property descriptions, photographs, and testimonials.

General

Service Provider is an independent contractor. This Agreement is the entire understanding between the parties and supersedes all prior discussions, proposals, drafts, and agreements. Agreement may be signed electronically (E-SIGN / Florida UETA). Force majeure provisions apply. If any provision is invalid, the remainder continues in effect.

This Agreement does not constitute legal, financial, or tax advice. Each party should consult qualified professionals.
